“The retailer will not return the keg deposit to the purchaser of beer if the tag is not attached to the keg upon its return. The individual signing the receipt does so with the understanding that he/she agrees not to damage the keg and not to remove or alter the attached identification tag. The individual signing the receipt does so with the understanding that he/she is subject to liability of serving the beer to any minor. A person not licensed as a retailer or wholesaler by the Michigan Liquor Control Commission and who removes the keg identification tag, allows the removal of the keg, and/or provides false information in the purchase of a beer keg is guilty of a misdemeanor punishable by imprisonment for not more than 93 days or a fine of not more than \$500, or both.”

Licensees selling kegs of beer for off premises consumption capable of holding 5 gallons or more must do the following:

- Require the purchaser to provide a valid form of identification confirming the purchaser to be at least 21 years of age. If purchaser is not at least 21 years of age do not proceed. Such identification shall contain a photograph, signature and the subject's date of birth. (College or university identification is not valid identification).

VALID IDENTIFICATION

1. Valid driver's license issued by any state
2. Valid special identification card issued by the State of Michigan

- Fill out a Keg Registration Declaration and Receipt making sure the information is correct. Use a ball point pen.
- List type of ID, ID number and date of birth on the Registration Declaration and Receipt.
- After you have filled out the Keg Registration Declaration and Receipt, have the purchaser fill out and sign the Card. You may sell up to 4 kegs to the purchaser using the small sequential tags located to the right of the Card. Purchaser must initial designated area on each sequential tag used. If more than 4 kegs are sold, you must use a new card.
- Peel the registration tags (yellow keg sticker) from the book and attach it to the side of the keg near the top. Keg surfaces must be dry. It is best to apply the registration tags (yellow tag sticker) while the keg is in the cooler.
- Refuse to return the keg deposit if the registration tag is not attached when the keg is returned.
- Keg retailers shall maintain complete and accurate records of all keg registrations of the sale of kegs at the licensed establishment for not less than 30 days after the date the keg was returned. Moreover, such records regarding keg sales shall, during reasonable hours, be open to inspection of the Commission, MLCC Investigators or other law enforcement officers.
